

THE PROMISE OF PINELAWN

...made in 1902 by William H. Locke, Jr.,
founder of Pinelawn Memorial Park.

The policy of Pinelawn is, and will be, to make it as beautiful and tasteful as possible. Not merely by giving careful attention to all lawns, roads, foliage and flowers, and individual memorials but by developing a comprehensive park plan, adapted to the size and resources of Pinelawn by which the beauty of each part will be designed to contribute to the beauty of the whole, thereby enhancing the dignity and solemnity of the entire park. And as cheerfulness is not inconsistent with solemnity, nor with love and reverence, every effort will be made to impart such an air of cheerfulness to all, as bright lawns and flowers, flowering bushes, stately trees and sunshine can bestow.

Solemnity is not misery, and we believe that those at rest would wish their friends to be inspired and heartened by the beauty of their surroundings.
